

CONVERSION SPECIFICATIONS

Taxi Cut Rear-Entry Minivan Toyota Sienna Hybrid

- ✓ **Commercial quality mobility vans** for the commercial, passenger and paratransit markets
- ✓ Horizon Hybrid Model constructed on a **Toyota Sienna Hybrid** platform starting at the **2021-2024** model years
- ✓ Offers the versatility of transporting **six passengers** (including driver and one wheelchair)

TUB

37" wide x 50" long

Offering the largest usable space for a wheelchair on any Toyota chassis, surpassing the typical 32"-wide center tubs offered by other companies.

RAMP

36.25" wide x 47" long

Manual, spring-assisted ramp features a texturized, powder-coated, diamond pattern surface to reduce slips and increase traction. A 9% grade exceeds the 11% ADA requirement, assisting ease of entry.

SEATING

OEM

Second-row seating remains in the original OEM location for two or three passengers depending on choice.

REAR

58" high

Hatch height from floor to opening (straight drop) exceeds ADA requirement of 56 inches. Exclusive welded, steel-cap rear bumper assembly provides maximum strength and safety.

FLOORING

150-mil thick

A unique weld process ensures a lifelong even floor. The proprietary, thermo-plastic surface with a co-extruded scrim backing prevents movement and wrinkles. A matte finished, diamond-tread pattern helps prevent slipping, is easy to clean and extremely durable.

RESTRAINTS

4 oval "L" track

Includes four oval "L" track floor pockets. Optional QStraint systems are available for purchase.

FUEL SYSTEM

OEM

Taxi conversions maintain the original manufacturer's fuel system.

SAFETY

Our vehicles are crash tested (FMVSS:214, FMVSS:301) and meet or exceed all ADA requirements and Federal Highway Safety Standards. Our vehicles are Altoona Tested to ensure reliability and durability, and CARB-compliant to meet stringent emissions standards.

WARRANTY

All conversions include a 3-year/36,000-mile conversion warranty.

CERTIFICATIONS

Our taxi conversions are approved by transit authorities in New York City, Boston, D.C. and Philadelphia.

MEMBERSHIPS

We are proud members of National Mobility Equipment Dealers Association (NMEDA) as a Manufacturer Member, and listed with the National Highway Transportation Safety Administration (NHTSA).

CONVERSION SPECIFICATIONS
